JASE-A
Since 2019

CALL FOR PAPERS

We invite you to submit your original research articles (both empirical and theoretical), reviews, and short scientific communications on applied science and engineering topics. These contributions will inform current research, policy, and practice across various areas of common interest to scientists, engineers, and policymakers.

The collection of articles in Journal of Applied Science and Engineering-A (JASE-A) is open year-round and will be published on the Mongolia Journals online platform.

- ✓ Open access
- ✓ Peer-reviewed
- ✓ Indexed by

- ✓ Online first publishing
